QUICK UPDATES BY SPRING BREAK

COURTESY ON THE ROAD TO THE FINAL 4

Get your magnets where they belong because **MARCH 24-28**—the week after spring break—is **MARCH MAGNETS**. Schools will get **FIVE points** for every magnet we see on cars in your school's parking lot **DURING THE WEEK AFTER SPRING BREAK**. Sheldon operatives will visit YOUR school to count magnets on the cars. This can totally change the standings and put you and 250 of your fellow students in a position to win a trip to **Courtesy on the Road Night at Camden Yards—April 30**. If you have a magnet on YOUR car you'll get **FREE Chick-fil-A nuggets**. If you need a magnet go to courtesyontheroad.com and let us know this week.

COR NIGHT @ OPCY: APRIL 30

Mark your calendars...especially you schools who are in the thick of things to win it all—especially **Centennial, Howard, Glenelg, Marriotts Ridge, Hammond, River Hill...even Mount Hebron + Reservoir**. We are getting a lot of action on the volunteer front for Live 12 among student reps, and we'll be adding all those numbers to our March magnets and student reps tally...+ things can REALLY change. Then, in early April we will be doing Sheldon's Report Cards to get YOUR feedback + then we'll do our final count. As Yogi said...it ain't over, baby!

CLICK IT AND PARTICIPATE IN LIVE 12 PPT

We'll be showing photos during the band performances at **Live 12**. So e-mail your photos to battleofthebands@courtesyontheroad.com. Photos of your school, pix all around the county. Interesting artsy (clean!) photos will find their way into the powerpoint. If you take pix of your friends, please include their names and indicate that we have their permission to show them during the show.

THIS WEEK'S WINNERS
